AVG Total Pitch Class Histogram

Heatmap visualization of the chromatic scale, showing the relationship between 12 pitches (C, C#, D, D#, E, F, F#, G, G#, A, Bb, B). The color scale ranges from 0.0 (dark green) to 0.4 (yellow). The highest values (0.4) are observed for the tritone pairs (F#-C, C#-F) and the enharmonic pair (Bb-B).
